

The Path of Shamanic Mystery:

Ancestors & the Land

Sept. 7-8, 2019, Eugene OR by Reid Hart

10:00 AM to 5:00 PM Saturday and 10:00 AM to 4:00 PM Sunday

We all know deep within our beings that we are connected to our ancestors and the earth spirits of our place. Our knowing goes back through time immemorial to a distant past when these beings walked freely on the earth, visible to all. Join us as we renew our relationship to these vast powers of nature and work within a realm that our ancestors knew intimately.

The Ancestors and Power Places focuses on earth spirits, power places, and your connection with your blood ancestors. In this experiential workshop you will:

- Raise earth power for personal healing and empowerment.
- Find your clan totem and connect with ancestor spirits.
- Clear obstructions from your blood lines.
- Work with power places and the earth spiral for empowerment, and becoming native in your place.
- Connect with the story lines of your life.
- Meet the green man and green woman, guardians of nature and strong bearers of earth power.
- Engage in healing with the powers of nature.
