

The Path of Shamanic Mystery: **Rune Power & Seith***

Feb 8-9, 2020 in Eugene OR *presented by Reid Hart*

10:00 AM to 8:00 PM Saturday (potluck dinner) and 10:00 AM to 4:00 PM Sunday

Are the Runes calling you? During this weekend workshop, we visit the well of memory and encounter the spirit of the Runes in a sacred grove. The Runes source from both Nordic and Celtic heratige. Each rune has personal meaning. We learn to sit on the high seat where divine truth comes through our lips as the warp and weft of fate weaves the mystery of time and destiny. We learn to channel rune power to impact the potential of our life. In this experiential

workshop we will:

- Learn a powerful method of connecting with the runes for learning and divination.
- Create a personal sacred grove in the otherworld to work with power animals, Celtic Spirit Powers, ancestors, and runes.
- Engage in the practice of Seith (*Seiðr*, sayth or Truth Speaking) to learn deeper oracular truths.
- Learn rune doctoring, a powerful healing practice.
- Harness the power of rune magic to cast power runes for personal and planetary transformation.

*Seith (*seiðr*, prounounced sayth) work can profoundly inspire our general shamanic practice. In Seith, an old Nordic form of shamanism, the practitioners traditionally used staff, ecstatic song and a magic seat to receive answers and guidance from the Spirits.

One of the experiential *Path of Shamanic Mystery* workshops that traces a directly inspired spiritual path from 40,000 year old shamanic practice to modern Western Mysteries. Receive gateway Faery, Celtic, Nordic, and Druidic initiations to make practical life change. Workshops may be taken in any order.
